

Handling Procedures for Capital Lending

Article 1 Purpose

In order to provide specific operating rules in respect of capital lending by the Company the Handling Procedures are enacted in accordance with the Guidelines for Handling Capital Lending Endorsements and Guarantees Made by Public Companies promulgated by the Financial Supervisory Commission (FSC)

Article 2 Entities of capital lending

Unless otherwise in any of the following circumstances the capital of the Company shall not be lent to any third party

▲ here the business transactions between the Company and other company or firm which calls for such lending arrangement

here the short term financing facility is necessary for the company or firm directly or indirectly invested by the Company

Article 3 The aggregate amount of capital lending and the maximum amount permitted to a single borrower

▲ The aggregate outstanding amount of capital lending shall not exceed forty percent of the Company's net worth as shown in the Company's latest financial statements

The limit on the amount of capital lending to the each individual borrower is as follows

- i If there is any business transaction between the Company and other company or firm which calls for capital lending the amount of capital lending for each individual company or firm shall not exceed three times the average monthly amount of transactions between the Company and the borrower during the most recent year prior to lending. The term the amount of the transactions as used herein means the higher of the purchase amount or sale amount of the business transactions between the Company and such borrower
- ii The maximum financing amount of capital lending which provides single borrower for short term financing needs shall not exceed _____ percent of the Company's net worth as stated in its latest financial statement ▲ and the aggregate

outstanding amount of capital ending shall not exceed 1 percent of the Company's net worth as stated in its latest financial statement. The term financing amount as used in the Lending Procedure means the cumulative amount of short term financing amount for borrower.

iii. The overseas subsidiaries whose outstanding voting shares are directly or indirectly held by the Company or their funds among others or to the Company shall not be subject to the limitation of subparagraph of this paragraph. However, the Company's subsidiaries shall set the aggregate limit of capital ending and the liability limit permitted for single borrower and shall stipulate the durations of capital ending in its Lending Procedures.

iv. If the responsible person of the Company violates the provisions of item iii and ii of this paragraph, the responsible person shall bear the joint responsibility for returning the capital ending with the borrowers if the Company suffers damage. The responsible person shall also be liable for damages.

The capital ending between the Company and its subsidiaries or among the Company's subsidiaries shall be approved by the Board of Directors. The Board of Directors may authorize the Chairman to approve to loan single borrower within specific limit resolved by the Board of Directors and for a period not more than one year or such borrower to be made dormant for several times or have revolving capital ending.

The term specific limit set forth in the preceding subparagraph shall be pursuant to paragraph subparagraph iii and the outstanding amount of capital ending whereby the Company and its subsidiaries to single borrower shall not exceed 1 percent or more of the borrower's net worth as stated in its latest financial statement.

Article 4 The Tenor of Capital Lending and the Methods for Calculation of Interest

The tenor of capital ending shall not be longer than one year. The interest rate shall be calculated by the Company's short term funding cost plus certain margin and the interest shall be collected on monthly basis or be collected on the due date of the capital ending.

Article 5 The Procedures for Reviewing and Approving Capital Lending

Article 7 The Subsequent Measures for Supervising Capital Lending and the Procedures for Handling Overdue Lending

▲ After the funds are advanced the Company shall keep monitoring on the financial condition business condition credit of the borrower and guarantor and change of the value of collateral provided for the borrowing if any. The Company shall inform the borrower at least three months prior to the maturity date to repay on the maturity date. If there is any material change the person in charge shall report such change to the Chairmen of the Board of Directors immediately and handle the relevant matters properly in accordance with chairman's instruction.

When the borrower repays the advances on or prior to the maturity date the Company shall receive and return the evidence of borrowing such as the promissory note to the borrower or proceed with the mortgage discharge registration with respect to the collateral if and only if the principal and interest calculated by the Company have been fully repaid.

If the borrower fails to repay on the due date the Company shall dispose of the collateral and/or ask the guarantor for repayment in accordance with the applicable laws and regulations.

4. If the relevant capital ending is required to be submitted to the board of directors for discussion such ending shall be approved by a majority of the members of the Audit Committee and submitted to the board of directors for resolution. If such ending is not approved by a majority of the members of the Audit Committee alternatively such ending shall be approved by two thirds of the directors provided that in such case the resolutions adopted by the Audit Committee shall be recorded in the minutes of the meeting of the board of directors.

All members of the Audit Committee and All Directors referred to in the preceding paragraph shall be the actual number of the committee members directors.

Article 8 Penalty

If any manager or person in charge of capital ending due to his/her negligence violates the Handling Procedures and thus causes serious damages to the

Company such manager or person shall report to his/her direct superior and the most senior decision making officer of the finance division immediately. Such manager or person's violation shall be handled in accordance with the relevant internal personnel and administration regulations of the Company. If it is found that such manager or person intentionally violated the Handling Procedures and as a result caused damages to the Company, the Company may, in addition to the punishment provided in accordance with its relevant internal regulations, require such manager or person to compensate the Company's loss. The punishment and how to handle the above mentioned violation shall be reported to the next Board of Directors meeting.

Article 9 The Procedures for Supervising Capital Lending by Subsidiaries

▲ If the Company's subsidiary intends to lend capital to the third party, such subsidiary shall adopt its own handling procedures for capital lending—in accordance with the Rules Governing Capital Lending and Endorsements and Guarantees by Public Companies promulgated by the FSC, after consulting with the Company's opinions. The subsidiary's Handling Procedures shall be approved by the subsidiary's Audit Committee and/or Board of Directors and/or the shareholders meeting. The same shall apply to lendents to such Handling Procedures.

The Company shall supervise its subsidiaries to check whether or not the handling procedures for capital lending are in compliance with the relevant laws and regulations or not, and whether the subsidiary lends capital in accordance with such subsidiary's own handling procedures for capital lending transactions. The Company's internal auditing personnel shall review and check the execution reports produced by each subsidiary.

Article 10 Miscellaneous
